Madagascar Fishing Adventures trips start at wonderful Sakatia Lodge on Sakatia Island, just off the west coast of Nosy Be Island. Sakatia Lodge is the perfect land base from which to access the best fishing in the area.

We also have a number of live-a-board yachts available for those who wish to go the mobile route or do a combination of the two (land based and live-a-board). Our fishing boats Blue Marlin and Joz Joz accompany the yachts on dedicated fishing trips.

All our yachts are available without our fishing boats for non-fishing groups, island cruises, family holidays etc. Give us a call to put together your dream yacht cruising, island hopping holiday!

We also offer full SCUBA diving packages run by an experienced dive centre and dive masters.
